

GYROS

• S T R E E T •

From the owners of 16 year established Olive Tree Brasserie, with
restaurants in Leeds, Lytham, Chester and Stockton Heath

EVERY CITY NEEDS A GYROS STREET!

Gyros Street is a hip new takeout spot serving up the popular Greek street food; Gyros! Our first site opened in Manchester in November 2023. Certainly not your average takeaway, with stylish interior, branding & overall vibe, we are sure to stand out. We will focus on quality ingredients, very generous portions & unreal vegan options.

Our Gyros have already built popularity through our group of four successful restaurants; The Olive Tree Brasserie Lytham, Chester, Stockton Heath & Leeds.

Demand for this type of street food has been growing rapidly over the years and having already perfected the 'eat in' version of our Gyros, it just felt right to take the next step and head to the city streets!

Using the strength of the Olive Tree Brasserie brand, over 16 years in the restaurant industry and outstanding guest feedback, we know that Gyros Street will be a success.

Not to mention our strong, passionate, experienced head office team to provide Gyros Street with the support from the start.
